

# ***EVALGROUP***

*Research and Evaluation Group*

## **RESEARCHER**

**About Us:** The Research and Evaluation Group (EvalGroup) is a team of researchers and program evaluators that are dedicated and committed to providing our clients with necessary and valuable data and information to make informed decisions to improve their programs and organization. We provide data-driven analysis to help organizations understand the results of their programs and initiatives—and translate that data into actionable improvements. Our expertise spans a wide range of social impact areas, such as healthcare, social services, community development, educational achievement, arts and culture, and violence prevention. Consulting services provided by our firm include program evaluation, coordination, strategic planning, community engagement, communications, and capacity-building.

### **Responsibilities:**

- Create, monitor, evaluate mental health processes
- Maintain metrics of previous research components when developing new programs.
- Evaluate the impact of the mental health services on targeted group
- Develop and determine effects of new research courses and applications on targeted group
- Assist in the development of evaluation-related courses, workshops, and/or resources for contract staff

### **Required Education/Experience:**

#### *Required:*

- Must have at least 2 years of CDC and/or NIH experience
- Must have experience working with federal government contracting
- Must have a PhD or MD degree with 10 years of experience in public health, social work, evaluation, mental health facilities or studies.

#### *Preferred Experience:*

- PhD or MD in social science, clinical research, or related field.
- Ability to work effectively as a member of a multidisciplinary team.
- Knowledge of mental illness terminology
- Peer-reviewed publications
- International evaluation experience

**Position Type:** Compensation based on experience    **Location:** Atlanta, Georgia

**To Apply:** To apply for this position, send your resume and a cover letter that clearly discusses your experience and its applicability to the position. Send emails to [hr@evaluation-group.com](mailto:hr@evaluation-group.com). Include 'Data Analyst' in the subject header. Also, visit our website to complete the [Job Application](#) at [www.Evaluation-Group.com](http://www.Evaluation-Group.com).
